Subject: TASC TO15R8 - CFAC draft CIP outline, contact list and outreach log

Hi Robert and Mike,

It was so nice to meet both of you in person last week. Hope you both had smooth trips back home.

Attached, please find the following documents:

- The draft CIP outline. We have drafted this outline based on the Colorado Smelter CIP example you shared as well as other CIPs that we have supported (such as the shorter, more graphic Region 9 CIPs). We included some annotations and look forward to your thoughts. We will work with you to find ways to keep the CIP as brief and succinct as possible.
- CFAC Contact List (dated 6-21-16)
 - We did our best to organize the list based on stakeholder group as well as alphabetically.
- CFAC CIP Interview Outreach Log

Please note that Joe Unterreiner, President of the Kalispell Chamber of Commerce (referred by Chad Campbell) requested a call from Mike to discuss the site. His phone number is (406) 758-2804 and his email is joe@kalispellchamber.com.

Thanks! We look forward to supporting the next phase of this project.

Emily
